April 2014

Gain control, increase margins and grow your business

On March 21, 2014, a seminar was organised by Bengal Chamber of Commerce and Industry in which **SAMADHAN** presented how "Microsoft Dynamics NAV can get you Control, Profit and Growth".

Control

- Gain better insight into how your business is performing.
- Get greater visibility into how resources are being utilized.

See the video here <http://youtu.be/4tmMKIG7NQY>

Profit

- Target your most profitable customers.
- Use the system to drive behavior in your business.

See the video here <http://youtu.be/FmDoeSISW4I>

Growth

- Flexibility to accommodate new businesses and processes
- The system can adapt to your growing needs

In This Issue

- How "Microsoft Dynamics NAV can get you Control, Profit and Growth"
- **SAMADHAN** has offered free diagnostic service to four companies.
- Offer from **SAMADHAN**

SAMADHAN has offered free diagnostic service to four companies and helped them to understand how they can bring Control, Growth and Margin in their organization.

If you are an owner of company or associated with an organization and also want to enable these keys to success.

You may send an email to us at info@samadhanindia.com with subject "I would like **SAMADHAN** to come at our office and help us to bring Control, Growth and Margin." You may also give a call to us on 0651-2331882.
